our ingredients

- Our key ingredients are cold pressed certified organic Australian Macadamia Nut Oil & certified organic Australian Aloe Vera, which are highly compatible with the skin.
- The product range has a comprehensive ingredient listing that discloses all ingredients.
- We use optimal concentrations of pure essential therapeutic grade oils, certified organic herbal extracts, essential fatty acids, natural vitamins & plant based liposomes that all significantly contribute to moisture retention, oxygenation & cell regeneration.
- Our products are handcrafted in small batches to ensure quality and freshness.
- Our products are preserved with an innovative tea-tree blend, citrus fruit extract & naturally occurring anti-oxidants.
- All products have a guaranteed shelf life if stored below 30°C of between 18-30 months.
